

CSST 2012 SUMMER PROGRAM
July 1 – September 7, 2012
Information for Prospective Applicants

PROGRAM OVERVIEW

The CSST Summer Program is a 10-week intensive research training and PhD recruitment program. Each student will be enrolled in 12 units of UCLA courses, conduct research under the guidance of a UCLA faculty mentor, and participate in required CSST activities including professional development and networking events. UCLA PhD programs will preview potential PhD applicants' research performance and begin early recruitment for the next year's admission cycle.

This summer's participants will be from 9 universities in China and Japan: Fudan University, Nanjing University, Nankai University, Peking University, Sichuan University, University of Science and Technology of China, Xi'an Jiao Tong University, Zhejiang University, and Waseda University.

The specific goals of the CSST Summer Program are to:

- Develop students' research career potentials
- Foster cross-disciplinary interaction and research
- Develop a community of CSST colleagues
- Identify and recruit top students to UCLA PhD programs

ENROLLMENT

CSST will enroll each student in 4 units of 199 independent study course with his/her UCLA faculty mentor and 8 units of CSST Colloquium (aka M Pharm 194) with Professor Ren Sun, CSST Director. Course grades will be based upon research performance, CSST program attendance, and personal conduct.

NOTES

Students are strongly encouraged to take the GRE examination at least once before attending the Summer Program. Although the GRE score is not a requirement for participating in the Summer Program, it will be useful for evaluating the student's admissibility to UCLA PhD programs at the end of the Summer Program. Additionally, taking the exam early will allow students to retake it later if necessary.

We look forward to receiving student applications!
