Academic/ Course	
Course info	● Course info for all NTU courses https://nol.ntu.edu.tw/nol/guest/index.php

Okay to take courses in other departments/institutes?	Yes, but some courses are restricted to students in certain department/college so please pay close attention to the course info on the link above. NTU requires incoming exchange students to take at least 2 courses per semester, no matter in which college.		
Additional important information	1. We match each incoming student with local students to help with campus life. 2. Free Chinese courses (teaching foreigners Chinese) are also provided for exchange students.		
Accommodation			
University-administered accommodation	The College of EECS will help exchange students apply for the dormitory at NTU. In the past, all exchange students are offered such accommodation. But due to the increasing number of students, the availability is not guaranteed.
